Dear Family, Friends and Supporters,

After months of planning and prayer, we were finally able to have our Family Camp on the weekend of December 4-5 at a camp in West Palm Beach, about an hour north of Coral Springs. There were 42 people who attended and we had a wonderful weekend together enjoying the beauty of creation and a time of relaxation and fun. Our theme for the weekend was “Rest in the Lord”, and we focused our devotional times discussing the spiritual rest we are looking forward to in heaven as Christians. This was the first time we planned a camping trip with the church, and the response was overwhelmingly positive! It really was a time of fellowship and encouragement for all in attendance, and we had a few visitors come as well! We were blessed to have Josh, Cara and Vivian Blackmer come from the Palm Beach Lakes congregation to help us with leading devotionals, childcare, and Josh preached for us on Sunday morning. We are grateful to have been given this opportunity to grow together in our faith and to grow closer as a spiritual family. God is so good!

We enjoyed spending the Thanksgiving holiday with both sides of the family this year. Mauricio’s sister and her family came down from Michigan and Kayla’s sister and her husband came down from Kentucky to spend the week with us. The kids had a great time with their aunts and uncles, and they got to meet their cousin Leyla for the first time. For our visitors, the warm Florida weather was a welcome reprieve from the cold winter they had left behind. As always, we are grateful for these special moments with family that God allows us to have.

On Sunday December 19th, the church met at a park after the morning worship service to have a meal together and for the kids to do a toy exchange. Each child brought 2 toys from home, one to put into the exchange pile and one to donate. The weather was beautiful and we all had a wonderful time together. We also had our normal Bible class discussion there at the park, where we discussed what it means to seek Jesus in our daily lives. It is always a blessing to share these times of fellowship and spiritual encouragement with our church family.

The ladies of the church met together on Tuesday December 21st for their annual women's Christmas party. Sadly, they were unable to meet together last year due to the pandemic, so it was great for them to be able to have that time together this year to enjoy good food, decorate Christmas tree ornaments, and share in a time of Bible study. It was a trilingual group this year with some ladies preferring to speak either Spanish, English or Portuguese. Oh, the fun of living in South Florida!

May God bless each of you with a holiday season full of joy and peace in Christ Jesus our Lord. We send you all our love!

In Christ,
Mauricio & Kayla Yegros
